

Position: Assistant/Associate/Full Professor Clinical Pathology at Tuskegee University College of Veterinary Medicine

Posting Date: October 5, 2021

Posting End Date: December 5, 2021

Position: Assistant/Associate/Full Professor Clinical Pathology

Department: Pathobiology/College of Veterinary Medicine

Status: Full-time

Special Qualifications

In keeping with the President's commitment to Tuskegee University becoming "One Tuskegee", the ideal Assistant/Associate/Full Professor will possess the willingness to use their expertise in transforming Tuskegee into a leading 21st century living and learning environment.

Essential Duties and Job Responsibilities

Participate in classroom, clinical and laboratory instruction of veterinary students, graduate students, interns and veterinarians.

Participate in the provision of clinical pathology laboratory services to the Veterinary Medical Teaching Hospital and external clients.

Supervise and train technicians and students as required.

Demonstrate creative scholarship through independent and/or collaborative research and publish the results of research findings in reputable scientific and/or professional journals.

Submit research and/or contract proposals to intramural and extramural funding sources.

Other duties and responsibilities may be assigned by the Department Head and Dean of the college.

Qualifications

He/she should have the DVM or equivalent degree.

Completed a residency in Clinical Pathology. Board certification by the American College of Veterinary Pathologists is highly desired. Board-eligible applicants will be considered.

The PhD degree highly desirable.

Possess excellent interpersonal and communication skills and a demonstrated ability to work with others in a collegial team environment.

Salary

Commensurate with education, training and experience
