

## GIVS CONFERENCE

The Global Initiative for Veterinary Cancer Surveillance (GIVCS) has the privilege to invite you at the 3<sup>rd</sup> GIVCS Conference, which will be held virtually from Friday 1<sup>st</sup> to Saturday 2<sup>nd</sup> April 2022.

The theme of the conference will be Animal Cancer Surveillance, Animal Cancer Epidemiology and Comparative Environmental Oncoepidemiology.

Further information and details on the scientific program, abstract submission and conference registration are available on the GIVCS website (<https://www.givcs.org/>) and GIVCS social media platforms (Twitter: @GIVCS\_Research; Facebook: Global Initiative for Veterinary Cancer Surveillance; LinkedIn: GIVCS – Research Network).

The abstract submission closes on the 19<sup>th</sup> of March.
